Skankane Transport

LETTER OF REFERREAL

We have had the privilege of working with Skankane Transport from its very beginning. Over the years the company has grown tremendously, maturing into a highly efficient operation.

We can certainly rate Skankane as one of our best suppliers where all our needs are accommodated and every effort is made to satisfy us as the customer.

Congratulations to the management and staff on reaching the significant milestone of 10 years.

Yours faithfully

D W SHORT
Chief financial officer
